

Track 3 - MASTER GROOMER

International Certified Master Groomer

The Purpose of this qualification is for learners to understand breed standards to an advanced level.

The learner must demonstrate:

Safe Handling and Styling to Breed Standard of a Non-Sporting Breed, (Bichon or Poodle in Utility Group)
Sporting /Gundog Breed,
Terrier Breed. (Can include Schnauzer)

The Mixed breed can be in a style of your own choosing to suit the dog.

The Knowledge and understanding covers breed standards for Utility, Gundog, Terrier, Toy, Hound, Working and Pastoral groups along with understanding mixed breeds angulation and symmetry.

There are seven written papers, one for each kennel club groups taken from the Kennel Club Illustrated Breeds Standards Book, and one on mixed breeds, including Terminology, Points of a Dog, and questions about Canine General Knowledge.

The Certification Groups Are

Utility Breeds

Gundog Breeds

Terrier Breeds

Toy Breeds

Hound Breeds

Working Breeds

Pastoral Breeds

Mixed Breeds
