## Welcome to ICMG UK Zoom Video Certifications

### PRACTICAL AND WRITTEN

ICMG UK are please to announce that all ICMG Practical and Written Certifications are now available to complete via Zoom Video link. For practical purposes at the present we will limit the number of students to six per session, so adequate time can be spent with each student. All instructions will be sent via **email**, so please check your spam folder if you are expecting details from us.

#### How it will work

Some of you may have already experienced a Zoom video meeting, but for those who have not this is how it will work.

- Certifications will be conducted via an iPhone/Android or other camera at your premises.
- Instructions will be sent to you of how to join a zoom meeting and what to expect on the day.
- Before the day of the certification we will hold a brief Zoom meeting with each person to establish certain criteria, such as internet connection, lighting, position of camera etc. This will only take a few minutes to complete but is important to establish.
- Any of the Practical and Written Certifications will be able to be taken, subject to prior arrangement with ICMG.
- The Practical Certifications will be the same as if we were present in your Salon, only we will be watching, assessing, and talking to you via video link instead. All the existing rules and criteria for the Certifications remain the same.
- The Written Certifications will be available to complete on-line via a Laptop or Tablet. Again, we will ask you to position your camera (iPhone Android etc), where we can see you, but not be watching you answer the questions.
- On completion of the Practical Certification as before we will assess your groom and maybe ask questions as we are doing it. In most cases you will be given your result on the day.
- On completion of the Written Certification online, your score in % will be given to you on the screen when you finish.
- An email will be sent to you the day after with your results and practical critiques.
- The cost per session for the day is £60.00 per person plus usual exam fees.
