

CERTIFIED MASTER CAT GROOMER

Congratulations on beginning your certification journey! You are joining an elite group of certified groomers! Studies show that while 80% of groomers are interested in certification, only 3-4% of groomers take the step and become certified!

The Certification is in three modules and prepares and recognize pet professionals who handle the cats in a safe and professional manner, with style and compassion. The Certification elevates the Professional Status of Professional Cat Groomers who meet industry standards and best practices and strive to “Be the Difference” for their clients.

“The care and safety of the pets in our care is our passion.

Helping groomers thrive is our dream.

BE THE DIFFERENCE—for them”

This comprehensive certification program raises the bar by creating a “living” set of grooming and day spa industry standards. Pet safety is the guiding passion in all our certifications, as it should be!

Please call, text, or email if you have any questions. We are here for you!
